STANDARD

Miss Eastside

This year's Miss Eastside contest was a full variety of entertainment. The girls worked very hard preparing for this event. The winners of the Miss Eastside contest are judged by the new teachers. They are chosen on talent, poise, and beauty. This year's winners were Miss Sherry Friedel and Miss Debbie Culbertson. The two girls then have the chance to participate for the Miss DeKalb County title. Sherry sang, "The Wedding Song," as her entry. During her years at Eastside she has been an active member in many clubs. She is a member of the Thespian Society, and has acted in many plays. She has also been a Blazette for three years. Debbie's talent consisted of a gymnastic routine done to a piano concerto. Debbie is the President of GAA, member of National Honor Society, Varsity Cheerleader, and a member of the OEA club. During her stay at EHS she has been active in all of the GAA sports offered.

Convos Break the Monotony at EHS

This year has been spiced throughout with all types of convocations. The variety has been wide and the experiences great. We were given insights on how Rock 'n' Roll came about and has progressed over the years. We were shown different things that people can accomplish gymnastically with normal household objects.

We heard a variety of music groups from jazz to a snappy high school band. During many of these convos our own students were allowed to participate. We would like to thank the student council and Mr. Smith for arranging such an enjoyable and well-rounded year in this aspect.

The Homecoming Festivities started with a pre-game parade with all the candidates for Homecoming Queen. Naomi Cook, VICA; Donna DePriest, Spanish Club; Rita Fish, Dramatics; Sue Hicov, Band; Cheryl Hudson, Art Club; Anita Inlow, OEA; Theresa Kern GAA Club; Micki Koch, Choir; Colleen Rosener, French Club; Rhonda Yeiser, Blazettes. Different clubs and all classes had floats which were judged and awarded. All organizations had decorated sheet for judging also. After the parade and judging the Band and Blazettes gave a pre-game salute and the football game started.

After an exciting first half the Homecoming festivities started for half-time. The last year's Homecoming Queen Vickie Houser Abell escorted by Neal Martin then crowned Cheryl Hudson the new Homecoming Queen. After the game all attended the Homecoming dance to honor the new queen and her court.

EASTSIDE BLAZERS
DON'T TAKE NO JIVE
SAYS THE CLASS OF

75

Smile Mike!

Hi, there baby!

The Junior Class started the year out right by making the magazine sales the highest so far at Eastside, with top sellers being Jack Allen, Cathy Kern, and Janet Culbertson. Another money-making project was the concession stand. With the season being good in both football and basketball the sales were good too. This year most of the boys and girls participated in Booster Block '74. With all the spirit at the games and by decorating the halls, the juniors showed their great spirit throughout the year. The highlight of our year was the prom. The theme was "Old-Fashioned Love Song."

The juniors would like to thank Mr. Wagner and Mr. Zonker for making everything they did possible and for making it a very special year.

Eastside High School's marching Blazers, under the direction of Mr. Richard J. Foster, march at football games and the DeKalb county fair. The pep band plays during the basketball season, and the concert band is involved in the Christmas and Spring concerts. The junior high band marches along with the high school band and performs at concerts. Parents of the band members have an active music booster club. The EHS band was represented by four groups at the state solo and ensemble contest and won one 1st and three 2nd place ratings.

The choir director this year was Mr. Dennis L. Williams. A concert was presented at Christmas with the band, and a spring concert was presented on May 3. We also sang for the Butler Church of Christ on Good Friday and the school's Easter convo. Next year there will be a concert choir and Verdi Chorale. The concert choir is the same as a mixed choir and the Verdi Chorale will be a selective ensemble. We plan on a good year to come and to make many improvements with the addition of this new class.

THE CONDUCTOR

This Backward Man, this View Obstructor
Is known to us as the CONDUCTOR.
He beats the time with grace and vim
And sometimes they keep up with him.
But though they're eloquent and snappy
Conductors always seem unhappy.
Their strange grimaces on the podium
Suggest bicarbonate of sodium
May be, perhaps, the proper diet
To keep their inner fires quiet.
They have to think up countless capers
To keep them in the daily papers
Which help them in financial strictures
Or fit them for the motion pictures.
Conductors worry all the while
That's why they bow, but never smile.

Students Take Out Time to Act in Plays

The Drama Club, in it's third year of existence, is open to all students in grades 9-12. The purpose of the drama club is to promote theatrical interest and appreciation as well as to develop individual talent. Students at Eastside have many opportunities to work in all areas of theater with a fall play production and spring musical production.

The International Thespian Society is an organization designed to honor those students who have contributed generously of their time and efforts to all of Eastside's theatrical productions. Each year, the Thespian troupe holds an annual project designed to promote greater interest in theater.

She has achieved success who has lived well, laughed often and loved much.

Mrs. Elva Williams

In the beginning God created the heavens and the earth. In the beginning of the 1973-74 school year the halls of Eastside High School were filled with happiness and excitement from the students of this beautiful school. This year I had several people working with me and they deserve a sincere thanks.

Sherry Maloy was my business manager and was in charge of the advertising and selling of the annuals. She and her staff worked very hard to supplement our income. Roberta Wilkerson was my assistant editor and helped after school and gave her free time to help publish this annual. I would also like to thank Donna DePriest, Kim Likes, Susan Dwyer, Joyce Hook and everyone else who helped with the typing, thinking up captions, and headlines. These girls took time to help, and it was very much appreciated.

There were many teachers who helped and also deserve a sincere thanks. Mrs. Hood, the Easterner sponsor, has helped me more than I could have hoped. Thank you for all the advice and cooperation you have given me during the past year. I would also like to thank Mr. Penix for all his help with the photography. Believe me, Mr. Penix, you really pulled me through some tough jams. Thanks to Mr. Williams, we had pictures for the annual. He always set up the time schedule for the photographer to come, and he always helped us out if we ever needed anything. Mr. Arthur and Don (the photographer) helped me with the knowledge and the skills I needed to know to publish this annual. Without all these people, I could never have made it. A very special thanks goes to my parents. No one could ever ask for better parents than mine when I needed help. If it hadn't been for them I wouldn't ever have learned responsibility and the initiative to complete this task. I Love You both and thanks for everything.

I have enjoyed working with everyone and I appreciated all the help and cooperation that the coaches, teachers, administration and especially the students have given me during the school year.

No one realizes how much work it takes to publish a yearbook, but I have enjoyed every minute of it and I will never regret doing it. It takes ALL your time and patience. All I can say is try it once and I guarantee you'll love it. I hope I have given you memories of this past school year in this yearbook. Don't forget your four years in high school, because they are the best years of your life. Good Luck everyone, always and remember this:

No day is over if it makes a memory.

Sincerely,

Pam Timmerman
